

Join the Circular Investors Board

The **HOOP** project emerges to help **unlock bio-based investments and deploy local bioeconomies in Europe** through a systemic and cross-cutting approach.

HOOP will support a group of 8 lighthouse cities and regions with a variety of sizes, geographical distribution throughout Europe and different socio-economic context with **Product Development Assistance** building expertise to develop concrete investments to valorise Organic fraction of Municipal Solid Waste or Urban Waste Water Sludge **with the aim of obtaining safe and sustainable bio-based products.**

As part of the **Circular Investors Board (CIB) of HOOP** you can:

- help mainstream sustainable investments towards urban circular bioeconomy.
- co-develop tools and advise on requirements of investments.
- learn with peer-to-peer knowledge exchange.
- be involved in a cutting edge project and find investment opportunities.

1.

Be part of the development of EU-level projects on the topic of urban biowaste and wastewater revaluation.

2.

Collaborate with other leading financial Environmental, Social, and Corporate Governance (ESG) experts.

3.

Shape EU wide investment opportunities and boost sustainable development.
